BEFORE YOU GO

Is it for me?

We want to make your trip to Peru as memorable and as carefree as possible. In this section, you'll find the answers to all the questions you have about traveling with Peru Hike Company in one place. Please read the following information carefully – it will help you with any questions about our services.

How many days do I need to acclimate in Cusco before the Trek?

It's very important to be well acclimated to the altitude before exerting yourself on a trek. We recommend that you arrive in Cusco at least 2 or 3 days before the trek starts to help you adjust and avoid possible problems with altitude sickness while on the trek. You might have already been in another area of Peru at a high altitude before arriving in Cusco. In that case, we still recommend you have a whole day in Cusco to rest, recover from your travel, and enjoy the sights and sounds of Cusco before departing for the trek. Here are some suggestions for activities to do in the Cusco vicinity before starting your adventure trek:

City Tour and Sacred Valley

City Tour

Sacred Valley

Briefing or Informative Meeting

All information meetings and briefings are held in our main office in Cusco (or your hotel) at 5:00 pm, one night before the tour begins. These meetings last approximately 30 to 45 minutes. If you're unable to attend, you must coordinate another meeting by email, by phone or at the Peru Hike Company office.

Trek Balance Payment (in Cusco)

The trek has to be paid for in full at most 6.30 pm one day before your departure (generally after the briefing). It would be much appreciated if you pay the trek balance in cash US dollars or local currency at our office in Cusco. You can withdraw some money from several ATMs along Avenida Sol (either in US dollars or local Peruvian Soles). You can pay by credit card or PAYPAL online, but you will have to pay an charge, charged by VISA and PAYPAL. We do not accept bank checks or payment of the balance by traveler's checks.

Group tours

Group tours are made up of different types of people, then physical conditions and ages can vary. By agreeing to be part of a group tour, you also accept that some people may be faster or slower than you. Therefore, each person can go at their own pace on the route. It may be the case that a group wishes to modify the tour; however, the guide will be the one who decides, after consulting with all the participants, if such modifications are possible.

Strikes and demonstrations

Strikes and demonstrations are usually common in Peru, and this may interrupt some of our tours. Roads can be blocked, and train tracks can be taken over. However, we will try to keep your trip as originally planned, even if it means leaving the night before the scheduled date. Under these circumstances, tours may also be canceled. In case of changes or cancellations, everything will be coordinated with you by our operations department. Your safety is our highest priority, and our decisions will be made to protect it.

Lost Objects

Please pay attention to where you leave your things and remember to take everything once you leave our transport, tents, or restaurants. You're the only one responsible for your objects during the tour.

Duffel Bag or Canvas Case

You'll receive a canvas case or duffel bag during your briefing. Our horses will carry them, and the horsemen will hand them to you when you get to each camp. They measure 60 x 24 x 22 cm (23.6 x 9.45 x 8.66 in). A maximum of 8 kg / 17 lb is allowed for each duffel bag, including the weight of your sleeping bag, sleeping mat, clothes, and other personal items.

Can I store my luggage at your office?

Of course! During the trip, your main luggage can be stored at our office (you can organize it with us on the briefing day or by email) or at your hotel, both free of charge. Any equipment that you won't need on the trek can be stored safely in your hotel. Nearly every hotel will provide this service. Don't leave items of value with your bags; put them in the hotel safe and obtain an itemized receipt (in the unlikely case of the, many insurance companies require that you have a copy of the receipt itemizing everything). It's best to put items such as credit cards inside a sealed, signed envelope for extra peace of mind.

Pick up of guests

Peru Hike Company can pick you up from your hotel, as long as it's in the Historical Center of Cusco. Your guide will coordinate the pickup with me in the briefing session, but please keep in mind that the time may vary between 30 and 45 minutes due to traffic. Cusco is an old city, meaning it has many narrow cobble streets. Some hotels and Airbnbs may be located on streets without access to cars or on long, steep slopes, making it difficult to transport luggage. We strongly recommend that you book accommodation with good access.
